Indulge your team in the great outdoors!

why bring your colleagues and employees to skytrek adventure park?

✓ Fun, thrilling and exhilarating experience
✓ Encourage teamwork & increase individual confidence
✓ Test physical and mental strength
✓ Create stories and memories to last a lifetime!

SkyTrek Adventure Park has developed an innovative and exciting team building program set amongst the tall cedars of the BC interior.

Our attractions are designed for every age and fitness level of participants providing an amazing and lasting experience for each member.

Built to inspire leadership, teamwork and boost morale, SkyTrek’s team building program is a cost-effective way to enhance your team’s solidarity.

Come along with your team and experience adventure in the treetops of British Columbia Canada’s Monashee Mountains!

FOR MORE INFORMATION ON SKYTREK CORPORATE RETREATS
CALL US TODAY: 250-837-9477 or VISIT www.skytrekadventurepark.com

Open 7 days a week from mid-May to Thanksgiving weekend.
Located beside the Enchanted Forest between Revelstoke and Sicamous.
Team Building Program

The team building program is a series of games, courses, and unique challenges tailor made to suit the values and requirements of your team. Every team is as diverse and unique as its members, so too are our packages. Upon arrival, you will be greeted by your lead guide, who will outline the various activities and objectives of the games built for your team. The packages are always built for every age and fitness level of participant, from a true “ground lover” to the hard-core climber. Teams function best as a whole, therefore all games keep each member’s comfort level in mind.

Throughout the half day Eco-Adventure, teams will challenge themselves, and each other in a series of dynamic Aerial Trekking Courses, and thrilling exercises built to strengthen the core values of your team.

At SkyTrek Adventure Park, your team’s safety is of paramount concern. All the equipment is routinely inspected, and is in compliance with industry standards. In addition, all participants are walked through an interactive training program detailing each piece of equipment and its proper application.

“TIER staff greatly appreciated the dedication and professionalism of the SkyTrek Team during our recent visit, our staff were encouraged to challenge themselves individually and as a team, and step outside their comfort levels in a safe and outgoing manor. We highly recommend this experience for any team building activity that is both exhilarating and rewarding for the participants.”

- Tier Support Services Ltd.
The Adventure Tower, with its adrenaline pumping activities, is a prominent feature in the SkyTrek adventure park and a huge hit among our visitors:

- Sky Swing
- Sky Drop
- Climbing Walls
- Log Climb

**Sky Swing:**

Sky Swing is a 35ft. high pendulum swing built for two. The exhilarating rush of the game only builds as you’re slowly drawn up the face of our climbing wall, then set free as you swing through the trees on this massive structure. A game purely based on testing your mettle.

**Sky Drop:**

Need a vertical boost? Sky Drop lets you base jump from the tower in full free fall until it brings you to a stop, just feet above the ground.

**Climbing Wall:**

Our newly built, interactive climbing walls offer an Indiana Jones theme for the truly adventurous, and a picturesque climb from valley to mountain top where you’ll meet animals, birds, and fish along the way.

Navigating your way up these 35ft. high walls are demanding enough, but as a team building exercise, the emphasis is on partnership. Each game on the wall is designed to incorporate open communication, support, and trust through a series of demanding climbs and team objectives.

**Log Climb:**

The log climb is a string of “floating” logs created to challenge and build the group’s inner dynamic. Focusing on a team’s self confidence, the games will brew courage from even the most unsuspecting member.
The Aerial Trekking Course is our signature team building element, featuring a massive series of obstacles set high amongst the forest’s canopy.

If you’re looking for a true outdoor challenge, you’ve just met it. From easy to challenging, we’ve got you covered:

- Ziplines
- Climbing Wall
- Suspension Bridges
- Ladders and Nets
- Swinging Logs

The Green Course sets the stage for an introduction to the games, with Blue, Black and Double Black courses taking your team up to 40ft. high and through ziplines, tarzan jumps and the always swinging logs.

TRAINER SESSION:

The Adult Program starts with a training session. The guides will teach you about your equipment, and how to climb your way through the Aerial Trekking Course properly. With our NEW belay system eliminating the need to clip carabiners as you go, you’re free to fly through the course at ease knowing you’ll never be unattached.

We are a strong advocate of Challenge by Choice, meaning you can choose the difficulty that suits yourself. If one course is a challenge, and you think you’ve met your limit, you can choose to end at that level. Or, if you’re up for more of a challenge, you can proceed to the next course!
**Release of Liability**

Participants are required to completely fill out a Release of Liability form before participating in our adventure activities.

The witness will have to ensure the participant has read and understood the waiver.

**Medical Conditions**

Participants are required to complete a medical form to disclose any medical conditions that we should be aware of. This includes, but is not limited to, serious allergies, asthma, and diabetes.

If you are subject to a condition mentioned above, you are required to ensure your safety by taking the necessary precautions and preventative measures, ie. having an EpiPen, inhaler, insulin or sugar snacks with you and ensuring that your guide and the members of your group know where to find them in case of an emergency.

**Recommended Gear**

SkyTrek Adventure Park provides participants with a harness, helmet and all necessary safety equipment. Our professionally trained guides will demonstrate and teach you how to use the equipment and how to participate in all activities.

We recommend wearing:

- Comfortable outdoor clothing appropriate for the weather and for climbing trees.
- Shoes or sport sandals: must have a strap around the heel; flip flops are not allowed.
- Gloves are recommended but optional.
- Do not wear jewelry such as long earrings, bracelets, necklaces, rings, etc.
- Please ensure you tie your hair back.
Group rates are only available on weekdays for the months of May, June, September and October. This is due to our extremely busy summer, when we are, unfortunately, unable to accept reservations.

Our programs include:

- Guiding services
- All safety equipment
- Interactive training program

* Please bring a cheque payable to SkyTrek Adventure Park.
* Payment can also be made by Visa, MasterCard, Interac, Cash or Cheque.
* Rates are based on a minimum of 10 participants with one person paying the full amount.
Is SkyTrek Adventure Park open if there’s bad weather?
Yes! Please dress appropriately for the daily weather conditions and ensure that you’re adequately prepared for sudden changes.

Please be advised that operations will never close due to weather conditions. They will be postponed however, only if there is lightning immediately above us, or strong winds throughout the area. In the event of a temporary halt, operations will continue as soon as the conditions have improved and are no longer a danger to those in the trees.

How long does the Aerial Trekking Courses take?
The Aerial Trekking Course can take anywhere between 1-3 hours and the adventure tower about 1 hour. It depends on your group: personal fitness level, how comfortable participants are with heights, as well as how many other people are in your group.

Do I have to be really fit to participate in activities at SkyTrek Adventure Park?
You do not have to be an Olympic Athlete to enjoy SkyTrek! Our course is designed to support a Challenge by Choice mentality, including alternative activities and four difficulty levels within the Aerial Trekking Course, allowing each team member to choose the challenge that best suits him/her. Whether it’s mental, physical, or simply a chance to overcome your fears, we have a challenge that meets individual needs and comfort levels, allowing participants to get the most out of their visit and reach their goals in a positive and inclusive environment.

What if a participant of the group does not wish to experience SkyTrek Adventure Park?
There is a trail on the ground below the entire course, where anyone who chooses not to participate in the course, as well as those who finish the course early, can walk underneath. It provides a great place to watch, take photos, and cheer on colleagues!

Do you sell food and drinks?
We sell snacks such as chips, beef jerky, chocolate bars, granola/fruit bars and energy bars. We also sell bottled water, Gatorade, juice boxes, tea, coffee and hot chocolate.
SkyTrek Adventure Park has:

✓ Pull-through parking available for buses and suggest parking close to the SkyTrek gate.
✓ Gift/Snack Shop with hot and cold beverages, and snacks such as chocolate bars, sandwiches, etc. available in the lodge.
✓ Picnic tent is available for groups. Let us know if you would like to book it (free of charge).
✓ Washrooms and picnic tables.
✓ Campground and other attractions nearby.

**HOURS OF OPERATION**

✓ **May, June, September, & October**: Available upon request

We strongly suggest that groups wishing to take part in our team building programs make arrangements to do so during these months.

During this time, we’re able to offer your team the intimacy, convenience, and attention we had in mind when developing this innovative approach to a team building experience.

✓ **July & August**: Open from 9am-6pm

We do NOT take any reservations. Due to the busy summer season, we operate on a drop in, first come first serve basis. No group rates are available during this time.
